

## **Prayer for Ebola 10/19/14**

Father, in the name of Jesus, we come to you today and we thank you that we are delivered from and have authority over the Ebola virus and over ALL sickness and disease. The Word declares in Isaiah 53:4-5 that "Surely he hath bore our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed. Because of that we thank you that we are free from every sickness and disease, including the Ebola virus and that "no plague can come near our dwelling", our families and our church family here at the "V"!

We plead the blood of Jesus for the United States, for Africa and anywhere else in the world where there are already cases of Ebola. We ask that the healing power of God invade those areas and supernaturally heal and deliver those that have been diagnosed with or have this disease. We thank you that it be contained and spread NO FURTHER and ultimately and quickly come to nothing!

We pray and intercede for every Doctor, every nurse, Health Care worker, researcher and administrator that will minister to any Ebola patient; especially for those at the National Institute of Health here in Maryland and for every person in the CDC. We thank you that "no weapon formed against them shall prosper" and "that no evil shall befall them". We thank you that each of them operate in the wisdom and understanding of God and that they establish and operate in protocols and processes that will protect and bless all of them.

Father we thank you for Jesus and his sacrifice and the spiritual "vaccine" that he had given us through his blood! 1<sup>st</sup> Peter 2:24 says "Who his own self bare our sins in his own body on the tree that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed". We declare then by faith that if we "were" healed then we "are" healed right now! We will not FEAR because "if you be for us who (or what) can be against us"! We thank you that what really matters can't change and our position in Christ is that we are healed and not sick and we take that stand now for our lives, the lives of our families, the partners here at the "V", the United States and the World! We shall "live and not die and declare the works of the Lord"!
