

FREDERICK PRAYER

1st Corinthians 16:9. *For a great door and effectual is opened unto me...*

Father, we thank You for Your grace that has been bestowed upon us. We realize that we are what we are because of Your grace (**1st Corinthians 15:10**). We thank You for the anointing, blessing, revelation and power that we have to preach, teach, minister and demonstrate the Gospel. Thank You for what You have done with and through us in ministry and we are in expectation of You doing even greater things!

We thank You for opening a great and effectual door for us in Frederick County, Maryland. We thank You that You make room for us there to preach the Gospel! We declare that Your will and plan for this area be done and that Your Word is preached there by us and that it prevails (**Acts 19:20**). We thank You that You meet every need that we have. Thank You for assigning to us the people, the place, the equipment and the finances that we need to minister effectively and powerfully in this area! We declare that all the praise goes to You for every good and perfect thing that is done in this area! Thank you that Your will be done in the name of Jesus, Amen!
